## Community Forum

The Lyme Community Development Committee and the Planning Board are conducting a study of Lyme's tax base and tax rate, and a visioning process for Lyme residents.

The visioning process includes an initial forum for Lyme residents and property owners. The forum will be video recorded so that additional events can be scheduled in the future enabling all a chance to see the presentation.

The initial forum will be held Thursday January 24<sup>th</sup> at the Lyme School Gym from 7:00 to 9:00 PM.

## Lyme residents have one of the highest tax burdens in Grafton County.

- Will some additional residential or non-residential development help or hurt the town's finances?
- Is it appropriate for Lyme to encourage the construction of new housing for our senior citizens?
- Are there ways Lyme Schools can continue to maintain superior quality without development?
