

DRAFT

Lyme Cemetery Trustees Meeting Minutes

May 6th, 2016

Members present: Laurie Wadsworth & Laurel Ross

Oriented new Trustee Laurie Wadsworth to Cemetery Trustee duties, 2016 budget, old projects, and new items.

Discussed potential projects for 2016:

- Repair or stone wall and gate at Beal Cemetery
- Painting of garage & Shed at Highland & Old Cemeteries- the idea of having a community project to complete this task was brought up. Community Care may be of help, Laurel will contact them. Bill Labombard was supposed to get quotes for the painting of these buildings last year- will check in with Bill on this.
- Fence repair in Old Cemetery- a few wood slats are down and will need to be repaired
- Stone repair- has usually been focused in the Old Cemetery, it was brought up that we may want to ask about doing this at Beal this year.

We discussed the need to call the companies that we work to get things restarted for this year. Laurel will call Jim Amber, Jon Appell, Bartlett, and Jim Henderson.

We agreed that Laurel will be the minute taker at this time. The Chair position will be discussed at our next meeting.

We will plan to meet again in late May or early June.

Respectfully submitted,

Laurel Ross
