

TOWN OF LYME, NEW HAMPSHIRE

NATURAL RESOURCES INVENTORY

August 2007

Report Prepared by:
Watershed to Wildlife, Inc.
John C. Severance, Jaclyn V. Comeau, and Elise J. Lawson
Natural Resource Consultants
42 Mill Street, Suite 3
Littleton, NH 03561

ACKNOWLEDGEMENTS

This report has involved hard work by many people in Lyme. Involvement of volunteers has greatly increased the amount of data collected on natural resource features throughout town. Thank you to the following people:

Town of Lyme

Conservation Commission members: Lee Larson, chair, Laura McDaniel, Paul Klee, Adair Mulligan, Vicki May, Matthew Stevens, Richard Jones (Select board member), Mimi Weinstein, and James Graham.

Planning and Zoning Administrator – Victoria Davis

Local Volunteers: Alfred Balch, Richard and Deb Holmes, Ben Kilham, Alice Schori, Mike Smith, John and Helen Skelly, Jackie Glass, Kathy Wohlfort, Jim Kennedy, Tom Morrissey, and John O'Brien.

Chris Martin – Audubon Society of New Hampshire
Ethan Nedeau – Biodrawversity

Funding for this project provided by:

- Sale of the Conservation License Plate (Moose Plate) under the State Conservation Committee (NH SCC) grant program.

- A grant received from the Connecticut River Joint Commissions "Partnership Program"

- We gratefully acknowledge the 31 Lyme families who contributed to the funding of the project.
