

Recreation Commission meeting

February 24, 2020 – 6:30 pm

In Attendance: Dina Cutting, Judy Brotman, Denette Guerin, Chris Pratt, Steve Small, Luke Prince,
Jo Steel and Bill Waste

Meeting opened at 6:35 pm.

Pickleball discussion:

General support from you and the RC for the idea of setting up pickleball courts at Post Pond

- Understanding that "Lyme Pickleball" would be a group of volunteers working through the RC to secure funding and provide the organization of pickleball activities for Lyme residents

- That open use of the courts for individuals (from Lyme) would be basically the same as it is for tennis now.

- A key deadline is to determine if pickleball courts can be lined out when the tennis courts are resurfaced this spring

Actions:

- Chris was going to get a more defined quote on the cost of the additional lines for up to four courts

- Jo will continue to get costs of netting, equipment and possible wind-screens

- Bill will draft an email to go out on the Lyme List to judge local interest in playing or learning to play (see below)

- Bill will take a look on the Lyme Foundation website for a grant application and work with Dina on those once costs are known.
