

CLASS V ROADS STUDY COMMITTEE
AUGUST 18, 2015
MINUTES

Approved

MEETING CALLED TO ORDER AT 6:04 PM

Present: Mike Smith, Bill Malcolm, Mimi Weinstein, Dan Brand, Sue MacKenzie

Guest: Donald Graham and Carol Barr

Minutes of August 4, 2015 were approved as written.

We discussed the proposal to move the River Road settlement area inland to the east of the ledge and bring the road back onto River Road at the bottom of the hill. Potential problems are being able to establish a satisfactory grade coming down to rejoin River Road and the area of wetlands and handling all the runoff from the hill.

Pathways Proposal for the south end of River Road: We have made several changes and reviewed with the committee. Comments were made regarding the town's liability, and open ended areas that leave the town open to many extra expenses. All agreed that the contract as written is not acceptable.

Trans Canada study results meeting is scheduled for October 1, 2015 9 AM at the Fireside Inn on Airport Road, West Lebanon.

Goose Pond Road Project: Construction contract was awarded to L&M. We did make the decision to not pave this year as a cost saving measure. This will allow for monitoring of the project.

The "Browning of Colorado" power point presentation. Returning paved roads to gravel and grading, compacting and adding Mg or Ca chloride, Until such time as we have the money to rehabilitate and pave.

"A Hard Road To Travel", New edition and introductory workshop on Sept 11, 2015 In Concord at the DMV Auditorium

Meeting adjourned at 7:10 PM

Next meeting Sept. 1, 2015

Respectfully submitted,

/s/ Sue MacKenzie
