

CLASS V ROADS STUDY COMMITTEE
FEBRUARY 17, 2015
MINUTES
Approved

Present: Mike Smith, Jim Jenks, Dan Brand, Fred Sterns, Sue MacKenzie, Mimi Weinstein

Meeting called to order at 6:05 PM

Discussed upcoming town meeting and how to present need to get people to understand importance of funding. This is critical to meeting long term needs of our roads. People need to understand critical nature of problems we are facing. Need to have a power point presentation so everyone can see the discussion points. Mimi has in progress. Will emphasize safety.

We also discussed several other areas of potential bank failure along the River Road.

Discussed River Road Bridge over Hewes Brook, repair and replacement schedule.

Discussed Park and Ride presentation and having a large graphic to show everyone what we are proposing. Dan to develop.

Discussed the Safety of the intersection of Dorchester and Franklin Hill Road, speed and line of sight are problems. Dan to follow up with Alan Hanscom. Also bring up the issue of a mirror and problem of reflexion of sun blinding drivers.

Discussed what to do if we do not get the \$150,000. Can we look at obtaining a bond?

Meeting adjourned at 7 PM
Next meeting March 17, 2015
Respectfully submitted,
