

CLASS V ROADS STUDY COMMITTEE  
September 6, 2016  
MINUTES  
Approved

Present: Dan Brand, Frank Bowles, Kevin Sahr, Bill Malcolm, Mike Smith, Sue MacKenzie

Meeting called to order at 6:05 PM

Minutes from 8/30/16 were moved and seconded, there followed a discussion about changes to the minutes. An agreement could not be reached, in the interest of time it was decided to table until the next meeting.

Cost analysis is on hold until we can get accurate figures to base the analysis on.

The "Pavement Preservation Workshop" by UNH may have useful information for this process.

\*Sue will provide the notes from this class.

\*Sue will work on getting the price list for the next meeting.

We also have the 2014 plan with some numbers.

Frank has provided an excellent summary of the Roads Plan. (attached)

A discussion followed as to whether it would be better to do an average cost vs take a specific section of road to analyze. A suggested section is the North River Road #371 to the Covered Bridge.

Culvert replacement is cheaper on gravel roads.

\*Frank and Kevin will work on developing the model.

A review of the Budget Committee presentation was discussed.

Date for the Roads Committee Public Presentation was set for October 18, 2016.

Next meeting 9/20/16 Tuesday 6PM Town Office Conference Room.

Meeting adjourned at 7 PM

Respectfully submitted,

/S/ Susan MacKenzie
