

Recreation Commission
April 25th 2016
6:00 PM

Date: 4/25/2016

Attendees: Dina Cutting, Susan Makenzie, Jim Mayers, Denette Guerin and Curtis Shepard

6 PM meeting started

Reviewed Steve's financial report.

Discussed the use of the Ball field by an out of town team. This is an adult softball team from Thetford with no home field to play on. They would be using the field the same days as Lyme Green. One team would play away and the other would play home. Thetford team will fill out a use of Recreation Facilities form, supply a certificate of insurance and pay \$100.00 for the use of this field. The field rules will be supplied to them and if they have questions they will contact Lyme Green, Cole Cutting.

Discussed the old pitching mound being put out on the field, built up sides with dirt and it was left there. The Commission felt strongly that the reason why the new pitching mound was purchased was because the old one is not safe to use for games. Do not use this old pitching mound for games and or on field pitching.

5K: Will review and discuss at the next meeting. The event will be the first Saturday in August. The art teacher will be contacted to see if they could do an art project that would involve t-shirt design for this event again. Will start the planning at next meeting.

6:25 meeting complete

May 23rd, 2016 next meeting 6:00PM

For next meeting:

Boat rack area needs to be discussed again:

From 2015: This has gotten out of control. The boats are everywhere, the lawn care company cannot mow and it look terrible. People are supposed to have name and contact information on these boats. The signage states if they are not removed by (check the date) Nov 1st they will be removed. MacKenzie will discuss with the police department what can be done.

Totally out of control already this year.....

Summer soccer: Fighting Gents

5K road race
