

Date: 6/25/2018

Dina Cutting, Chris Pratt, Luke Prince, Curtis Shepard,

Meeting called to order at 6:10

Baseball done. In the black (See Steve's report for details) fun for all.

Tennis courts need resurface work. Steve collected 3 Proposals from one company ranging from minimum to max work that would be required. Dina stated Steve recommends the middle proposal, but the post for the nets are a must. They are lifting out of the ground. This needs to be fixed before any new surface is applied.

Chris will ask for a bid from local person fairly new to town who resurfaces courts. We will also get bid from the company that did the work previously.

No other business to conduct. Meeting called at 6:35
