The Selectmen's agenda is subject to change with items added or deleted up to and including during the meeting itself. Anyone, not just local residents, can attend any public meeting. However "open to the public" does not mean that the Right to Know Law grants anyone the right to speak at the meeting. Nobody has the right to disrupt a meeting or to speak without being invited. The Town of Lyme Select Board has a designated "public comment" time. The Select board may choose to address the matter brought to their attention at that time or at a designated meeting in the future.
