Lebanon Website:

<https://lebanonnh.gov/834/How-Do-I-Get-Rid-of>

Refrigerators/Freon Items:

AC's, Dehumidifiers, Refrigerators, can go to Lebanon or Evergreen in Wilder.

SAFETY

Safety is the primary concern at the Transfer Station. Please be extremely alert to potential hazards while driving into the transfer station. Come to a complete stop at the STOP sign. Follow the instructions of the attendants. They will alert you when you should approach the compactor and where to go for unloading.

- Approach the compactor in a single-file traffic pattern.
- **Stay in your vehicle while attendants unload trash and recycling.**
- **Any large loads of trash, or recycling will be instructed to pull off to the side. You will have to unload your vehicle as traffic allows.**
- No person shall be allowed to remove items from the metal bin.
- Watch for pedestrians when operating your vehicle and be alert for vehicles moving through the Transfer Station area.

Please alert the attendants of any safety hazards you encounter.

Inclement weather regulations and closure of the Transfer station:

- ✓ The Transfer Station will be closed when the temperature is below 0.
- ✓ The Transfer Station will be closed during snow and ice storms.
- ✓ The Transfer Station will be closed during all electrical storms.

TRASH & RECYCLING

The pay-as-you-throw and Recycling program provides a simple, fair and easy method for disposing of household trash and recyclable items. (Recycling is mandatory in Lyme.)

Here's how it works:

Household trash: must be in trash bags, tied shut or in a closed commercial bag. Neither bag may weigh over 30 pounds. Commercial bags require the use of a Green Payment Sticker.

Bulky items and C+D Material: These are all items that would not typically be put into your trash bags. Please bring these items to the Lebanon Landfill. They are open Mon-Fri 8:30-5:00 P.M. and Sat 8:30-2:00

There website is:

<https://lebanonnh.gov/834/How-Do-I-Get-Rid-of>

Glass: Please separate your glass from other recyclables. Glass will go into a separate bin.

Zero Sort Recycling as follows:

The Containers it **can** take:

- Plastics #1 through #7
- Aluminum cans
- Tin and other metal cans

The Fibers it **can** take:

- Newspapers
- Office paper
- Computer paper
- Telephone books
- Soft cover books
- Magazines
- Manila envelopes
- Envelopes
- Junk mail

- Hard cover books (no covers)

The Cardboard it **can** take:

- Cardboard (clean)
- Box Board
- Egg Cartons
- Rolls

Items Not Accepted in Zero-Sort

- NO Plastic Bags or Bagged Recycling (Clean Plastic Bags can go to some Grocery Stores or donated to the Haven)
- NO Coated Paper Items. (Items with a plastic lining such as waxed coffee or soda cups, waxed paper plates)
- NO Disposable Items. (Styrofoam, napkins, paper towels, tissues, plastic utensils, dirty recycling, condiment packets, straws)
- NO Toys, Hangers, Clothes, or Shoes.
- NO Waste or Wood. (Rope, Twine, Diapers, food, pet & yard waste)
- NO Plastic Wrap, Films or Tarps. (Food bags or wrappers, plastic or shrink wrap & tarps)
- NO Ceramic, Pots, Pans, or Baking Glass.
- NO Hazardous Materials
- NO Medical Waste
- NO Rubber or Scrap Metal
- NO Electronics, Batteries or Bulbs

Items Containing Mercury:

- The Transfer Station accepts these items as well. Please ask attendants if you are unsure about an item.
- It is illegal to throw mercury containing items in your trash.

All Zero-Sort should be in an open top bin or an easy to dump container. Do not put Zero-Sort into plastic bags. Make sure there is no food waste in your recycling.

Batteries:

- We accept batteries at the Transfer Station. Please ask an attendant. **Lithium batteries are especially dangerous and can cause fire. Please use caution with them and do not throw them in your trash.**

Hazardous Household Waste, oil based paint, gasoline, insecticides, asbestos, automobile batteries, tanks, any flammable, caustic or toxic substances and unwanted medicines **cannot** be disposed of at the Lyme Transfer Station. Household Hazardous Waste collection days are held periodically through the Upper Valley Hazardous Waste organization. www.uvhhw.org

Electronics collection day is held at the Lyme Transfer station once yearly. A fee will be paid to an outside vendor. Microwaves, computer/computer parts, televisions, printers, copiers, scanners, VCR's, DVD players etc. must be held at home until the designated day.

When in doubt, ask the attendant!
