In order to give appropriate time to consider topics for the Select Boards bi-weekly agenda information must be submitted to the Select Board office by the Thursday before the meeting.

The Select Board agenda is subject to change with items added or deleted up to and including during the meeting itself. Anyone, not just local residents, can attend any public meeting. However “open to the public” does not mean that the Right to Know Law grants anyone the right to speak at the meeting. Nobody has the right to disrupt a meeting or to speak without being invited. The Town of Lyme Select Board has a designated “public comment” time. The Select Board may choose to address the matter brought to their attention at that time or at a designated meeting in the future.

Interested Lyme residents are welcome to attend in person. As a convenience to Lyme residents, we will also attempt to permit participation electronically via Zoom, however, electronic participation can be subject to various technological challenges, some of which are outside the Town’s control or beyond our technical ability to address. In the past, some residents who have attempted to participate in meetings electronically have been unable to do so or have otherwise been dissatisfied. While we will always try hard to get the technology to work properly, if participation in this meeting is important to you, in-person attendance is more reliable and considerably less prone to technical problems.
